Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What Old Testament prophet tells more about the Jewish Messiah than any other? Which prophet tells about both the first and second comings of Jesus? Who of the prophets tells of the intense love of Jehovah for the city of Jerusalem. Which prophet tells of the splitting in two of the Mount of Olives and other natural phenomena? Which prophet tells about the regathering of Jews to Israel and their spiritual redemption? From what prophet do we discover details of life during the 1,000 year reign of Messiah? The answer, of course, is Zechariah, the prophet whose name means Jehovah remembers. His messages from God assure the Jewish people that God is remembering His promises and will bring them to pass. This study guide, written in simple, non-technical language, will help the reader grasp the exciting messages in this sometimes difficult to understand book. Each of the eleven lessons contains a list of Enduring Truths and is followed by fill-the-blank Study Sheets to assist in organizing the lesson content or for group discussion.
