He also explores how death, sickness, divorce, depression, and other disappointments affect families. Through an examination of Scripture, he shares guidance on how to communicate and get along with your significant other or spouse; deal with and respond to rejection; overcome bad spirits that lead you to bad places; and preach the Gospel and win souls for the Lord. Whether you need an encouraging word, guidance that can set you free, or advice to improve your relationships with others, you'll find it in this biblically based guidebook. It's possible to love and be loved, but you need to make a conscious decision to change. Dysfunction occurs in every family, regardless of name, race, or financial situation.
