Understanding the End Times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and gone written with the purpose of comparing world events to scriptures about end times and Jesus return. However, this book was not; it was designed to provide a Bible understanding of Gods plan for the ages by weaving together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before, spiritually, morally, politically, economically, in every way. Dont let your heart fail for fear of what is coming on mankind and the world. Instead, look up in faith and anticipation. Your redemption is closer than ever! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
