God never repeats Himself in human experience, and it is refreshing to mark these saints as they ventured their all upon God and left us individual histories which enrich the spiritual kingdom by the delightful variety we discover in all Gods other creations. We do not submit these sketches that they should be imitated in detail as to their search for God, or as to their evidence of that attainment. We pray rather that their faith and courage, in proving and knowing God, might encourage us to realise there is no limit, except in ourselves, to what we might discover of His kingdom while here in time.
