BALLISTIC IMAGING (PAPERBACK)

National Academies Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Ballistic Imaging assesses the state of computer-based imaging technology in forensic firearms identification. The book evaluates the current law enforcement database of images of crime-related cartridge cases and bullets and recommends ways to improve the usefulness of the technology for suggesting leads in criminal investigations. It also advises against the construction of a national reference database that would include images from test-fires of every newly...
