## UP AGAINST THE NIGHT (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A gratifyingly unsound psychological odyssey . . . Cartwright destabilizes the novel's placid surface with aftershocks of historical tragedies. - The New York Times Book Review Frank McAllister has long since dropped Retief as his middle name, but the legacy of his family's history proves harder to shake. His ancestor Piet Retief, leader of the South African Great Trek, was killed by Zulu king Dingane in the 1838 massacre, along with a hundred men, women, and children. Afrikaner legend paints Retief as a homegrown Moses, bringing his people to the Promised Land. But Frank believes something rotten lies at the core of this family myth. Frank spends his days in his London home with his new partner and her son and the products of his wealth. But the return of his daughter, Lucinda, from rehab in California brings him intense guilt: having sided with him during his divorce from her mother, she crumbled under the weight of the bitter separation. Lucinda has brought home with her a mysterious boy, and they will join the family trip to Frank's beach house in South Africa--not far from the site of the 1838 massacre. In the lulls of their idyllic days, Frank unravels what really happened on that fateful day, and how it may connect to the violence of the apartheid years, and the violence encroaching on them even now. *Up Against the Night* is an enthralling tale of personal conflict and intrigue, set against the backdrop of South Africa's tangled past and troubled present, and told with tremendous color and insight. Absolutely original and gripping, it is destined to be as influential as JM Coetzee's *Disgrace*.
