The Battle for Riker s Island is a fictitious story of rebirth: the remaking of a destitute woman into a timeless heroine and the rediscovery and empowerment of a brave Corrections Officer. This crime adventure book, moves biblical mythology into the center of modern day crime, mystery and adventure. The deeper meanings of the storyline are unfolded in book three, The Dark Butterfly Murders and book four, The Soul Separators. The second of four books in series one, the storyline continues in series two, Earth Moon Colony Dream Casters Dream Casters, and Carmen s Revenge Dream Casters II Dream Casters II. Stay tuned for more books in these series, The Red-Lighters Dream Casters III Dream Casters III, and more. All of the books listed above follow one storyline through time. The storyline moves from murder mystery, crime adventure and mythology, to science fiction and then to a blend of science fiction and ancient mythology. An ambitious undertaking that you can judge for yourself. K. Leslie Graves.
