

Basic Time Telling - Introducing Hours and Half Hours - Practice Worksheets Workbook with Answers: Daily Practice Guide for Elementary Students (Paperback)

By Shobha

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gift your child endlessly rewarding skills they can cherish lifelong. This book has hundreds of problems with increasing level of difficulty for daily practice by students. It is recommended for students to attempt at least one page daily for consistent practice. Book starts with time telling techniques to help students grasp basic concepts and get started. Once students start gaining confidence in telling time to the whole hour, they can enhance their skills by solving half-hour problems. Book can be used to track practice time for each set. Date and time can be recorded at top of each page. Answer to each problem is given at the end of the book. With the advent of electronic gadgets, we increasingly see time displayed everywhere in digital format. But learning to tell time using an analog clock is an essential skill for kids that can help build their cognitive abilities and sensory motor skills. Being able to tell time requires basic calculations and counting skills that not only helps kids with math but also helps them being organized and being able to track progress...
