Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Pulitzer prize-winning playwright comes a play of passion for freedom of thought and expression in American society. Written shortly after World War I and in a time of the Alien and Sedition acts, IHERITORS is a daring play questioning social justice in American democracy. The play was a departure from any of Glaspell s former work and was considered radical for its time with its defense of free speech. Still as poignant today as it was when it was first written.
