Reviews

It is in a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Dr. Keeley Windler)

APOCALYPSE BABY (PAPERBACK)

Feminist Press, 2015. Paperback. Condition: New. Language: English . Brand New Book. Virginie Despentes s Apocalypse Baby kept me up several nights in a row--in part because it s a terrific page-turner, and in part because I was anxious to see how Despentes would sustain her narrative ride. Apocalypse Baby is more than a compelling punk, queerish spin on the noir genre. It is a choral performance that tumbles its readers into the heart of violent spectacle, with all its attendant grief, unease, and unclarity. --Maggie Nelson, author of The Argonauts Apocalypse Baby is a smart, fast-paced mystery about a missing adolescent girl traveling through Paris and Barcelona. She is tailed by two mismatched private investigators: the Hyena, part ruthless interrogator, part oversexed rock star, and Lucie, her plain and passive--almost to the point of invisible--sidekick. As their desperate search unfolds, they interrogate a suspicious cast of characters, and the dark heart of contemporary youth culture is exposed.
