Yearling Books, United States, 2008. Paperback. Condition: New. Yearling ed.. Language: English . Brand New Book. Here s the first book in the hilarious Moxy Maxwell series, which includes Moxy Maxwell Does Not Love Writing Thank-you Notes and Moxy Maxwell Does Not Love Practicing the Piano. It wasn t as if Moxy hadn t tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasn t in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now it s the end of August--the day before fourth grade. And if Moxy doesn t read all of Stuart Little immediately, there are going to be -consequences.- It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial things--like cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it all--they re scattered throughout--and you ll see why it s so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night. From the Hardcover edition.
