Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A rich country, in the same manner as a rich man, is supposed to be a country abounding in money; and to heap up gold and silver in a country is supposed to be the readiest way to enrich it. For some time after the discovery of America, the first inquiry of the Spaniards used to be, when they arrived upon an unknown coast, if there was any gold or silver to be found in the neighborhood. By the information which they received, they judged whether or not the country was worth the conquering. There is a tremendous accumulated wealth in Columbia as they continually excavate the most valuable supply there of the clearest diamonds, rubies, emeralds and all manner of precious stones. Peru also has the most accrued supply of earth s finest gold, found abundantly right there in the gold-mines of the Andes Mountains. These valuable and abundant resources must be sequestered by our own hired-guns and brought back home to Texas through Mexico to pay compensation for the harm inflicted upon innocent people, from illicit narcotics trafficking that has raged this civil war in Mexico. No doubt, this incentive will further incite and stimulate an aggravated invasion of Columbia and Peru, on behalf of Texas National Sovereignty and Security. How victories are produced out of the enemy s own tactics is what multitudes cannot comprehend. All men can see the tactics of conquest, but what non can see is the strategy out of which victory evolves. Never repeat tactics which have gained one victory, but let the methods be regulated by an infinite variety of circumstances. Treasury deposits will revert Texas national currency values as...
