Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SARRASINE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Full text. Published by Honore de Balzac in the tempestuous year of 1830, the tale follows the undulating pathways of Sarrasine the sculptor s shocking journey to his coming of age. As one of the fathers of realism Balzac painted with his words a vivid portrait of life in the swirling salons of Europe at the end of the Bourbon monarchy, and we follow Ernest-Jean Sarrasine from France to Italy in search of both his metier and his muse. However it is also the story of La Zambinella, an Italian opera-singer with whom Sarrasine falls madly and passionately in love. But that passion holds a secret which Sarrasine spies too late.
