

The Plan for New Haven (Paperback)

By Frederick Law Olmsted, Cass Gilbert

Trinity University Press, U.S., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Long before cities were scrambling to go green and eco-conscious commuters were sensibly strapping on their bike helmets, New Haven, Connecticut, was envisioning a plan for its growth taken from the challenging ideas of the City Beautiful Movement and its call for civic monumentality. In a 1910 plan commissioned from legendary landscape architect Frederick Law Olmsted and prominent architect Cass Gilbert, New Haven's leaders charted new ground by incorporating revolutionary models for studying social and demographic data and using that information to help guide the physical plan for the city's growth. The visionary result is a gem of American urban planning history that became a benchmark in discussions about the shape the new American city would take in the twentieth century. This facsimile edition of the 1910 Plan for New Haven, available to general readers for the first time, includes a critical contemporary review of the century-old plan. Architectural scholar Alan Plattus and urban economist Douglas Rae contribute modern perspectives on the plan's importance to the development of both New Haven and American urbanism in the current rediscovery of urban livability and...

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Marlin Swift**

This publication is worth getting. it absolutely was writtern very completely and useful. I am quickly could possibly get a pleasure of reading a written publication.
