Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Moon Tiger, Penelope Lively, Penelope Lively's Booker Prize winning classic, Moon Tiger is a haunting story of loss and desire, published here as a Penguin Essential for the first time. Claudia Hampton - beautiful, famous, independent, dying. But she remains defiant to the last, telling her nurses that she will write a 'history of the world.and in the process, my own'. And it is her story from a childhood just after the First World War through the Second and beyond. But Claudia's life is entwined with others and she must allow those who knew her, loved her, the chance to speak, to put across their point of view. There is Gordon, brother and adversary; Jasper, her untrustworthy lover and father of Lisa, her cool conventional daughter; and then there is Tom, her one great love, found and lost in wartime Egypt. "Leaves its traces in the air long after you've put it away." (Anne Tyler). "A complex tapestry of great subtlety. Lively writes so well, savouring the words as she goes." (Daily Telegraph). "Very clever: evocative, thought-provoking and hangs on the mind long after it is finished." (Literary Review).
