The men and women who appear in this Cookbook for Life have experienced many or all of the 17 Success Principles, and have benefited from them. These are ordinary people who, because of their firm belief, persistence, and creativity have done great things with their lives. Their testimonials and recipes ring true because they are written in their own words and directly from their own hearts. The old adage reminds us that the proof is in the pudding. Our recipe contributors are certainly a proven commodity that you can personally use as a touchstone, guiding light, or signpost to your success.
