Ragged Bears Ltd, 2010. Hardcover. Condition: New. 5th or later Edition. Probably the most popular children's book of all time. Still in print after a century. It is NOT about racism. It is about a young indian boy who showed bravery in the face of tigers. Generations of wide-eyed youngsters have enjoyed serious quality time with teachers, parents and grandparents, listening to this magical story read to them as young children. Those very precious moments stay with them for ever. If anyone maliciously tells you it has been banned - they are wrong, so wrong. Illustrated. 62 pages.
