Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

FERAL TRACKS (PAPERBACK)

OverDog Press, United States, 2015. Paperback. Condition: New. 3rd Global ed.. Language: English . Brand New Book ***** Print on Demand *****.

Feral Tracks is based on the true story of a sixteen-year-old schoolboy who ran away from home with four dollars and hitchhiked around Australia. Daniel's exploits are a roller-coaster ride through a wild summer off the leash, the madness of share-house living, outback mustering of feral cattle, and nightclub excess. Told with driving energy, blunt honesty and dry humor, Feral Tracks shows why survival on the road means growing up fast. The male version of Puberty Blues. ABC Radio Mitchell's debut novel is stunning in its breadth of locations, vibrant characterizations and intelligent handling of contemporary issues . this is an impressive, clever and entirely satisfying book. Viewpoint The energy behind Feral Tracks comes from Mitchell's ability to take a year's worth of adventures, spanning the entire country, and to weave them into a fast-moving and engrossing story. Courier Mail Despite the tribulations of survival on the road, Mitchell's alter-ego is articulate, intelligent and, most importantly, resourceful. The Age Succeeds on all fronts. Sydney Morning Herald.
