S6 2009x OCLC Number: (OCoLC)466878236 Subject: Small business -- United States -- Finance. Excerpt: . . . 9 loans that lenders would be actually providing to small businesses, maybe take a look at loosening the rope. Do not let it go. It might seem counter intuitive to actually increase what are the guidelines for somebody that might be in violation, but I think it is critically important to look at maybe secondary items like backlogs, employment records, other things that would measure the performance to pay back that loan besides just cash, which right now everybody would probably be in violation of. Longer term, some things such as tax credits for exporting products in 2009 would help trade balance issues and get people exporting their products. As I talked about extending bonus depreciation and enhanced Sec. 179 expensing through 2010 and beyond would be very helpful. The 5-year net operating loss carryback, if we can get 2009 and 2010 included, and possibly look at some companies with revenues over the 15 million so that more of our customers could also be included...
