## Hard Math for Elementary School: Workbook

By Glenn Ellison

Createspace, United States, 2013. Paperback. Book Condition: New. Workbook. 251 x 201 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hard Math for Elementary School: Workbook is a workbook to accompany the textbook of the same name. Together the books aim to provide kids who are not challenged by their regular schoolwork with lessons that are harder, deeper, and more fun. The Hard Math textbook (sold separately) is designed to supplement what kids are getting in school. It has chapters related most standard textbook topics: addition with carrying; multiplication; fractions; etc. It covers other important topics -prime numbers, counting, probability -that are being squeezed out of many curricula. And it has chapters on topics which may not be as important-tiling floors, solving number puzzles, squaring big numbers in your head, making polyhedra out of marshmallows and toothpicks-but that make the book more fun and develop higher-level reasoning skills. Hard Math for Elementary School: Workbook is an important accompaniment to the textbook. It contains more than 100 worksheets. Each worksheet contains challenging questions that help students solidify their understanding of the material that is explained in the corresponding section of the textbook. Problems in the Hard Math...

### Reviews

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Miss Celia Volkman**

*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).*
