Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Leigh Tiller has just been kidnapped. The beautiful, ineffably cool New York socialite is being held by a group of mentally ill terrorists who ve demanded millions in ransom from Leigh s wealthy father. There s just one problem: Kip Tiller doesn t want Leigh back. He wants her dead. And he s hired The Serologist--a psychotic, patchwork-scarred hit man--to make sure it happens. Leigh s unlikely savior is Laser Mechanic, the coolly brilliant leader of the guerrilla art collective, Strategic Art Defence. Now, Laser, his team of highly trained artists, and Leigh are on their way to Las Vegas, running from The Serologist and the cops.and into a head-on collision with several contract killers--the Gashes, vicious girl bikers, the Black Sultans, adolescent gang-bangers, and the Bisons, a pair of sadistic, meth-addled brothers--looking to make a fast fortune. The outcome will be bloody, brutal, bizarre--and utterly unexpected.
