Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

(Mr. Rafael Hoeger)

HarperCollins Publishers, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. From the bestselling author of WARRIOR OF ROME comes the second book in an epic new series set in third century Rome; a dramatic era of murder, coup, counter-rebellions and civil war. In a world of battle and betrayal men will fight - and kill - to sit on the Throne of the Caesars. Rome, AD238 Emperor Maximinus reign hangs in the balance. At the helm of an empire that is bleeding manpower and money to sustain his wars in the north, rebellions flare in the far reaches of its territories. In Africa, Gordian the Elder and Younger are proclaimed as the new Augusti. A family descending from the imperial bloodline, they represent a chance for the establishment to take back the empire. In Rome, the first blood of the revolt is shed when an assassin murders Maximinus prefect and announces to Rome that their ruler is dead and the Gordians have taken the throne. Still bitter at having a soldier from the barracks wearing the imperial purple, the Senate endorses the rebellion: the Gordiani are hailed as Emperors. But as chaos descends on the capital, news reaches Maximinus of the betrayal. A man of war, he acts with decisive brutality and violence. On the dusty plains outside Carthage, bloody battle will determine the fate of the Roman empire.
