Reviews

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

Dover Publications Inc., United States, 2009. Paperback. Book Condition: New. Green ed.. 278 x 210 mm. Language: English . Brand New Book. Everyone s thinking green these days. But how do you convince kids that they can make a difference in protecting the earth s resources? Start with this entertaining collection of 35 activities that teach the next generation about environmental challenges and what each of us can do to help. Crosswords, mazes, word games, search-and-finds, and unscramble-the-letters games make it easy to learn about global warming, recycling, pollution, solar energy, conservation, and endangered animals. This activity book is a great first step for environmental awareness and every page can be colored! Solutions included.
