

Pharmacology for the Medical Student (Paperback)

Filesize: 8.1 MB

Reviews

Great eBook and beneficial one. It is packed with wisdom and knowledge You wont really feel monotony at at any time of your respective time (that's what catalogs are for relating to if you check with me).

(Maiya Kozey)

PHARMACOLOGY FOR THE MEDICAL STUDENT (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This title is now available in a new edition. For the most up to date content, consider the 2nd edition of this text. Pharmacology for the Medical Student isn t a rapid review book and it s not a massive pile of information that you don t need to know. This is a pharmacology textbook written so that you can read it quickly and understand it thoroughly. With 350+ USMLE-style questions, you can test your comprehension of the material before your professor does! This book is intended for students to use with their pharmacology course in medical or physician assistant school, but it has also become a popular resource with students preparing for their licensure exams (Step 1 USMLE, PANCE, etc.) Written by Dr. Erick Bourassa, a professor of pharmacology and a former medical student, this book contains everything you need to know in pharmacology to smash the boards and feel confident during your clinical training. For verified instructors wishing to use the text in their course, presentation files and a large test bank (separate from the questions included in the book) are available free of charge. To receive access to these files, contact the author directly.
