I could only hope that she had been pretty. I sat overcome. What a procession of developments in one day! Only that morning I had left Madiun; at midday I was wobbling on a buggy past an ocean of rice fields; tonight, suddenly, I had been renamed by my parents and handed a wife. Thus begins Sastrodarsono's life, returning to his village as a newly-appointed schoolteacher, and by virtue of that position, a member of the priyayi - functionary gentry awesomely elevated above the peasantry of his origins. From those most traditional of Javanese institutions - change of name and a virtually imposed marriage - he moves on with his bride to found a line of modernizing generations active across the whole span of recent Indonesian history: the 20th century late-colonial period, Japanese occupation, war of independence and two decades of social disorder ending in the mid-1960s with the rise of Suharto's authoritarian New Order government. The ideal of gentrification threads through this saga, both in the implicit concerns of a variety of characters and in the hopes of wretched villagers for whom the literacy necessary to approach that higher status is largely a forlorn dream. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
