Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Lauren spoetry, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this book I express Love, pain, joy, laughter and so much more. You will embark on a journey through my real life situations, and also my imagination. I began putting this book together in 2010 when my father passed away, knowing that this was something that I just absolutely had to do. He loved the words that I spoke and the way that I made them fit perfectly with one another. I am so pleased to be sharing with you my emotions and words and I m sure everyone can relate to these poems. I hope you smile, giggle, and tear while reading this book Sundae Poetry. Thank You Enjoy.
