

## 11th Hour Introduction to Molecular Biology

By Deanna Raineri

Wiley-Blackwell. Paperback. Book Condition: New. Paperback. 202 pages. Dimensions: 10.8in. x 8.8in. x 0.5in. The 11th Hour Series is designed to be used when a textbook doesn't make sense, when the course content is tough, or when you just want a better grade in the course. The authors cut through the fluff, get to what you need to know, and then help you understand it. Clinical correlations or everyday applications include examples from the real world to help students understand key concepts more readily. Dedicated web page, there 24 hours a day, will give extra help, tips, warnings of trouble spots, extra visuals and more. A quick check on what background students will need to apply helps equip them to conquer a topic. The most important information is highlighted and explained, showing the big picture and eliminating the guesswork. After every topic and every chapter, lots of opportunity for drill is provided in every format, multiple choice, true/false, short answer, essay. An easy trouble spot identifier demonstrates which areas need to be reinforced and where to find information on them. Practice midterms and finals prep them for the real thing. This item ships from multiple locations. Your book may arrive from...
