Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you're a Catholic man who's seriously considering marriage, you've got a lot to think about. Planning for a wedding can be overwhelming, but not as overwhelming as planning a lifetime together. How's a guy like you supposed to get from proposal to wedding day without losing your mind? You're about to enter into the unknown world of wedding planning with little to no knowledge. Your beloved has spent her entire life thinking about what's coming next, and you've only been thinking about this for a few months. What you need is a step-by-step guide to take you from planning to propose all the way through the first six months of your married life. The Transition is that guide. The Transition is the missing manual on engagement for guys like you. The Transition will walk you, one step at a time, through all of the things you need to know. It'll help you decide if you should propose, how to plan the technical elements of your wedding day, how to support your fiancée in the many tasks she has on her plate. Perhaps most importantly, The Transition will help you both lay the foundation that you'll need to build a marriage to last a lifetime. This is all new territory for you. Don't go it alone.
