ARCHITECTING THE CLOUD COMPLETE SELF-ASSESSMENT GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

How can we improve Architecting the Cloud? What would happen if Architecting the Cloud weren't done? Where do ideas that reach policy makers and planners as proposals for Architecting the Cloud strengthening and reform actually originate? Risk factors: what are the characteristics of Architecting the Cloud that make it risky? What business benefits will Architecting the Cloud goals deliver if achieved? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at it? For more than twenty years, The Art of Service's Self-Assessments empower people who can do just that - whether their title is marketer, entrepreneur, manager, salesperson, consultant, business process manager, executive assistant, IT Manager, CxO etc. - they are the people who rule the future. They are people who watch the process as it happens, and ask the right questions to make the process work better. This book is for managers, advisors, consultants, specialists, professionals and anyone interested in Architecting the Cloud assessment. All the tools you need to an in-depth Architecting the Cloud Self-Assessment. Featuring 619 new and updated case-based questions, organized into seven core areas of process design, this...
