CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This is an easy-reading drama about a little hen, a rooster, a duck, a goose and a fox. Tales were told or enacted dramatically, rather than written down, and handed down from generation to generation. Because of this, the history of their development is necessarily obscure. and fairy tales appear, now and again, in written literature throughout literate cultures, as in *The Golden Ass*, which includes Cupid and Psyche (Roman, 100200 AD), or the *Panchatantra* (India 3rd century BCE), but it is unknown to what extent these reflect the actual folk tales even of their own time. The stylistic evidence indicates that these, and many later collections, reworked folk tales into literary forms. What they do show is that the fairy tale has ancient roots, older than the *Arabian Nights* collection of magical tales (compiled circa 1500 AD), such as *Vikram and the Vampire*, and *Bel and the Dragon*. Besides such collections and individual tales, in China, Taoist philosophers such as *Liezi* and *Zhuangzi* recounted fairy tales in their philosophical works. In the broader definition of the genre, the first famous Western fairy tales are those of *Aesop* (6th century BC) in ancient Greece. The fairy tale itself became popular among the prcieuses of upper-class France (16901710), and among the tales told in that time were the ones of *La Fontaine* and the *Contes* of *Charles Perrault* (1697), who fixed the forms of *Sleeping Beauty* and *Cinderella*. Although *Straparolas*, *Basiles* and *Perraults* collections contain the oldest known forms of various fairy tales, on the stylistic evidence, all the writers rewrote the tales for literary effect. In the mid-17th century, a vogue for magical tales emerged among the intellectuals...
