CHRONICLES OF CARLO PART ONE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Everyone wants justice. That s what Agent Carlo Thorne tells me. I need your help to find your father, he says, so that I can find out who killed my mother. The only thing I want to talk about with my childhood-friend-come-FBI-alpha-male is if he remembers the lesson I taught him on how to eat a mango. Will you help me find your dad? He asks. If Agent Thorne slides his hands up my skirt and makes me scream his name, then I ll think about it. Will you help me find out if your dad was laundering money for my grandfather? He asks. If Agent Thorne pushes me against the elevator wall and slips his hands up my dress, then I ll think about it. I believe in family, loyalty, and love. Because I m Sophia Niles. HBS. MBA. BAP. Boardroom and bedroom boss, self-made millionaire, believer in love, looking for I-can t-live-without-you-sex. Agent Thorne is blinded by revenge. He is on a one-man mission to uncover the truth of his family s crimes, even if the truth comes at the expense of his family s fortune. He sees me as a good girl, college grad, who he could love. But, he doesn t know what I m looking for. He doesn t know what I want. I want the whole love-marriage-baby-carriage thing, eventually. But can I live out my wildest fantasies while we re headed there? I m already stressed out with my dad missing and my mom mentioning conspiracy theories. Can a good, smart, loyal, sexually awakened woman have some fun with a former-bad-boy-turned FBI agent? Let s find my dad. Let s solve your mom s crime....
