CELEBRATE ANGLICANISM: THE FAITH THAT ANGLICANS HAVE ALWAYS BELIEVED, TAUGHT, PRACTICED (PAPERBACK)

Anglican House Media Ministries, Inc., United States, 2014. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book. Celebrate Anglicanism is an extremely accessible introduction to Anglicanism -- and in particular to its North American expression. For any who want to understand the basics of Christian Faith and the way that Faith has come to be handed on by those who would describe themselves as Anglican Christians this book covers all the basics. Celebrate Anglicanism is written by a layman for the laity of the Anglican Church. The book is for those who are curious, who want to learn, who need basic knowledge. It is for ordinary Christians and those who are considering claiming their vocations as laymen and women in the world. The book is an invitation to becoming a disciple, and being informed enough to invite others into following Christ as committed and informed Anglicans. Celebrate Anglicanism is divided into seven chapters. It encourages use by groups -- classes - - where together inquirers can discover the treasure that is the Christian Faith in the Anglican Way. There are lots of questions to connect what is being learned to personal reflection or group discussion. The appendices offer everything from the classic creeds to a Church Constitution to contemporary statements from global gatherings. Indeed, the book helps one understand how the emergence of the Anglican Church in North America is the fruit of a world-wide Reformation of Anglicanism. Among the stories that are told is how the Global Anglican Future Conference of 2008 called for the formation of the Anglican Church of North America as part of the re-centering of world-wide...
