BLACK AMERICANS FREED BY ANGLO-SAXONS: OUR TRUE BLACK HISTORY (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Introduction The information in this book has been researched and accumulated over a period of many years. You hold in your hands, one of the most important books I have ever compiled. The Anglo-Saxtons have been given a unfortunate bad opinion about their Race. Let s, begin with the truth. The Bible, Egyptians and Romans all had Slaves before the Anglo-Saxons came into existence. Their Empire started in the Dark Ages. They were basically many Northern Tribes living in Caves. They eventually evolved into the most Powerful and greatest Country on Earth. They were wise enough to adopt Christianity as their core Religionist belief of love and compassion. They had the opportunity to believe in Judaism, Islam, Buddhism or many other ideologies. They chose Christianity because Jesus made more sense to them. The Anglo-Saxtons fought many Wars between other ethnic groups. They conquered them and established Colonies around the World. Eventually they ended Colonization and let other Races control their own destiny. By no means the people in this book are the only outstanding achievers, they are the lucky few I chose to put in this book. When history of a people is portrayed as insignificant, history may mean very little to them. When role models of their likeness are presented in a positive way, it will decrease resentment and inferiority or superiority from being breaded into them. When a people discovers positive contributions that their forebears contributed to Society, it gives hope and pride to them. Blacks has made tremendous advancements, and have the same opportunities as Whites to get a good education and achieve what their dream desires at this time in the United States. This is a new United...
