Brand New Book ***** Print on Demand *****.Art of Wine Making Business Startup How to Start a Million Dollar Success from Home If you are reading this, then it is safe to assume you are interested in winemaking at home. Wine-making is a fun activity that is not only affordable to get into but could also be profitable if you just put in your best effort into the process. I started making wine about 14 years back, but it wasn't necessarily something that I expected I would be doing for a while. I started making my wine out of curiosity. There are just far too many wines out there that are anything but appealing. Some are far too bitter, and others just feel watery or syrupy. Others just have terrible odors that only make them worse. The frustration I have had with wines over the years got me thinking - what if I tried to make wine myself? Surely I could do somewhat better than all those other people who make wine if I just put in a good amount of effort into the process. It was a crazy idea, but I figured that every smart idea in the world starts out of something crazy, right? I also figured it would be fun to see just what types of wine I could produce. I have seen so many brands pop up selling wines of all sorts. I assume they all run their vineyards with separate sections for red and white wine. But what could I do to produce something distinctive and unique? I did extensive research and found out that there is not much information out there on how to make it all blend just right, so I...
