Reviews

*Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

LAKE COUNTRY

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Some crimes have no punishment. Some battles never end. Five years ago, successful architect Wade Benson killed a young woman when he fell asleep at the wheel. His punishment: two days in jail for every year of his probation. But for one friend of the victim s family--an ex-marine named Darryl Potter--this punishment isn t enough. Potter sets out to even the score by kidnapping Benson s 20-year-old daughter. It s a bad, bad plan, and only Mike Barlowe, Potter s former combat buddy, knows how to stop it. With a beautiful news reporter, the cops, and a bounty hunter on Potter s tail, Barlowe races to head off his troubled friend before innocent people get hurt. The hunters and the hunted plunge north into Minnesota s Lake Country, each with their own ambitions and demons, each headed for a violent collision--and for one horrifying moment of life or death.
