Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. Katharine Towers second collection is a book of small wonders. From a house drowning in roses to crickets on an August day, from Nerval s lobster to the surrealism of flower remedies, these poems explore the fragility of our relationship with the natural world. Towers also shows us what that relationship can aspire to be: each poem attunes us to another aspect of that world, and shows what strange connections might be revealed when we properly attend to it. The Remedies is a lyric, unforgettable collection which offers just the spiritual assuagement its title promises, and shows Towers emerging as a major poetic talent.
