With MARCO POLO Crete you can find out where you can go mountain biking, play golf, windsurf, dive, sail and ride. The Insider Tips reveal where you can find peace and quiet in a village free of cars and where to find natural cosmetics made from avocados. Panels in each chapter suggest things to do if you're on a tight budget and where you might pick up some real bargains. The Best Of pages highlight what's currently in vogue in Crete, recommend things to do for free, and have tips for rainy days and where you can relax and unwind. The Trips & Tours include a hike along the length of the spectacular Samaria Gorge and right across the island. Last but not...
