Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Just Imagine, Susan Elizabeth Phillips, The War Between the States may be over for the rest of the country, but not for Kit Weston. Disguised as a boy, she's come to New York City to kill Baron Cain, the man who stands between her and Risen Glory, the South Carolina home she loves. But unknown to Kit, the Yankee war hero is more than her bitterest enemy--he's also her guardian. And he'll be a lot harder to kill than she's figured on . . . Believing that Kit's a boy, Cain offers the grubby rascal a job in his stable. But he has no idea what he's in for, and it's not long before the hero of Missionary Ridge discovers the truth. His scamp of a stable boy is a strong-willed, violet-eyed beauty who's hell-bent on driving him crazy. Two hard-headed, passionate people . . . Two stubborn opponents with tender souls . . . Sometimes wars of the heart can only be won through the sweetest of surrenders.
