

How to Make Big Bucks With Watch Batteries How to series Volume 3

By Dexter Poin

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 84 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This book will tell you everything you need to know to start profiting with a simple small business of your own with very little start up cost. Simple watch repair is something that I am currently doing part time and it is paying for my way through College at this very moment. Tools: I will tell you all of the tools you need, and the tools that you don't need to begin this craft. I will show you pictures and tell you the price ranges that you should be paying for these tools and where to purchase them. Batteries: I will tell you which out of the hundreds of different batteries are your most popular that you will want to keep in stock. I will tell you where to purchase these batteries and what prices you should and shouldn't be paying for them. Improvisational skills: I will tell you tips and tricks that will save you years of trial and error, and make you know your stuff! I learned so many tricks from a professional Jeweler and a stud...

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

-- Miss Golda Okuneva

It is one of my personal favorite books. It really is filled with wisdom and knowledge. Your daily life period will likely be enhanced the instant you start looking at this pdf.
