Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Liberalism, by L.T. Hobhouse, is a classic political science text. The modern State is the distinctive product of a unique civilization. But it is a product which is still in the making, and a part of the process is a struggle between new and old principles of social order. To understand the new, which is our main purpose, we must first cast a glance at the old. We must understand what the social structure was, which--mainly, as I shall show, under the inspiration of Liberal ideas--is slowly but surely giving place to the new fabric of the civic State.
