Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The World as Will and Idea [Representation] (German: Die Welt als Wille und Vorstellung) is the central work of the German philosopher Arthur Schopenhauer, published here, as in the original English translation, in 3 volumes. The main body of the work states at the beginning that it assumes prior knowledge of Immanuel Kant's theories (see his Critique of Pure Reason ISBN: 9781537260051). Schopenhauer recommended that the student begin with the final Appendix (found in volume 3), titled On the Fourfold Root of the Principle of Sufficient Reason before the rest of the book. The first volume contains four Books, two on The World as Will and two on The World as Idea, while the second and third volumes contain Supplementary material to each of the four books. The second volume also opens with an appendix to the four books, titled Critique of the Kantian Philosophy, in which Schopenhauer rejects most of Kant's ethics and significant parts of his epistemology and aesthetics.
