University Press of America, United States, 2000. Hardback. Condition: New. Language: English . Brand New Book. The emergence of the Internet as a global form of communication has raised issues regarding advertising to children. Is the Internet a broadcaster or a publisher? How does the First Amendment relate to Mass Communication? How do Internet technology and games modify children s development? Children and the World Wide Web examines both the legal issues, specifically the regulation of the Internet, and the behavioral issues that are central to a discussion of children and the Internet.
