

Expose, Excite, Ignite!: An Essential Guide to Whizz-Bang Chemistry

Filesize: 4.98 MB

Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Leonie Collins)

EXPOSE, EXCITE, IGNITE!: AN ESSENTIAL GUIDE TO WHIZZ-BANG CHEMISTRY

Prof Bunsen Science Publishers, United States, 2011. Paperback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Just when you thought you have seen it all . . . a book like this comes along and turns your science classes upside down. It s here - the flaming activities they never mentioned at the Chemistry Faculty or banned from your chemistry set. In this one book you will get the explanations, the practical show-how, the safety issues and extension ideas to take your students to the next level. This is not a chemistry recipe book. It is a practical chemistry revelation. No boring recipes on making fizzy volcanic mountains (yawn) - this stuff sizzles. The author focused on the triple S concept: All activities are SIMPLE, reasonably SAFE (hey, this is about combustion) and oh so SPECTACULAR. You ll get step-by-step instructions and photos and all can easily be implemented in your classroom and lab - instant student engagement. For those who love safe, sizzling science excitement at home - you have found it! The tested activities will provide hours of solid Whizz-Bang edutainment in the backyard that should (due to the nature of the activities) be overseen by an adult. This book will show you how to: make a pencil sharpener burn white hot under water; make an egg explode in an eggsothermic reaction; make a wind-up toy car explode in a puff of smoke; prepare hydrogen gas from kitchen chemicals; launch a real rocket using sugar-based fuel; make a tube whistle, bark and fly skywards; do a sugar dust explosion in a coffee tin; run a clock on a pencil sharpener; extract silicon from beach sand; set your hand (safely) on fire; boil water in a paper pan? and more...
