A Draemorian Chronicle enters the life of a tribe-raised minstrel by the name of Sorrownote, who along his journeys encounters individuals by circumstance and coincidence. From this ongoing experience, Sorrownote had made it his life ambition to compile the record of all civilizations within their world of Draemoria along with his current adventures. The first book, The Western World, focuses on the fantastic setting of the western portion of their continent and two neighbouring islands. 200 years ago, the land had been divided through conflicted ideals which eventually led to the gates of heaven and a pit to the abyss opening before them. Angels and Demons began forming civilizations among the tribes. A third civilization had been formed by a tribe who ventured away to the Eastern World in disbelief and followed the path of evidence. Eventually they created a bridge to a world of pure technology that had given itself to artificial intelligence two millennia ago. Our narrator resides in a central plain which divides the two civilizations. His family had been ravaged by demons as a child and he travels with his one remaining sibling, an adopted sister named Syrenne. In time they became minstrels and utilize their gifts to bring life into the world and confront atrocity with poetic justice. Along their travels they meet inspired individuals who then narrate the past two hundred years of their respective civilizations, or as much as they are capable of sharing with us. After these narratives, Sorrownote then delivers The Blood Plains War, their current endeavour which begins with a simple task and ends with preventing a war that could lead to a plague released with the...
