

## From Stethoscope to Gavel: Of Becoming a Doctor, Lawyer and Judge. (Paperback)

By Dr Harry Rein Jd MD

Dr. Harry Rein, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dr. Harry Rein has lived an extraordinary life. He has been a refugee, soldier, husband, father, doctor, lawyer, and judge, and to the best of his knowledge, the only doctor-lawyer-judge in the United States. His path begins when he boards the last train out of Austria after Hitler's annexation, followed by remaining one step ahead of destruction for the next year. Then comes a denial of entry into the United States due to quotas and poverty, followed by eventual admission three years later. Angels then enter his life and those of his family, allowing them to become meaningful citizens in the United States. These episodes from his inspiring journey discuss the ambition, attitude, kindnesses, rewards, and punishment he experiences with the many people he encounters along the way who lift him to higher levels of practice within each of his three professions. From Stethoscope to Gavel is the true story of an ordinary man from a humble background whose optimism and generosity in the face of crushing hardships will challenge, encourage, and motivate generations to come.
