Free Press, 2012. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. From the author of the #1 New York Times bestseller *The Millionaire Messenger*, an electrifying and inspiring book that provides the keys to motivating yourself to satisfy your highest, most essential creative and intellectual needs. In the hyper-connected, hyper-digitized world in which we are living, the time has come to revise Abraham Maslow's classic hierarchy of needs --a pyramid of human drives that places the basic needs of safety and sustenance at the bottom. Burchard, a world-renowned motivational speaker and bestselling author, makes a compelling case that it's time for an entirely new approach to understanding what drives human ambition and achievement today; it's time to change the conversation about what it takes to succeed and feel alive and fulfilled in a stressful, chaotic, distracted world. In *The Charge: Activating the 10 Human Drives that Make You Feel Alive*, Burchard, using pioneering studies from the fields of positive psychology and neuroscience, as well as great stories from his own experience, identifies the ten simple drives of human emotion and happiness: Control, Competence, Congruence, Caring, Connection, Change, Challenge, Creative expression, Contribution, and Consciousness. *The Charge* provides the keys to understanding and activating these drives in clear and concrete ways that will inspire and help everyone find the one thing we all are searching for: more life in our lives.
