This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Gen Next Publication/Gyan Books Pvt. Ltd., New Delhi, India, 2014. Softcover. Book Condition: New. First Edition. This book has been written for home makers. It is immensely beneficial and how to manage home efficiently like a seasoned house-keeper. The book provides invaluable tips, tools, techniques, scientific explanations, etc., so that the same chores turn into delightful experience, besides giving you ample scope to pursue other goals or hobbies. I started learning house-keeping as a child from everyone around me. I was fascinated by the tiffin that students brought to school; even the simple placement of chapatti and sabzi fascinated me. I was enchanted with the way some ladies created wonders from the available resources. For example, they did crochet around a small piece of cloth, and very soon it looked a beautiful table mat nothing short of a master piece! This book is the essence of over two decades of my experiments, insights, and explorations to save time, yet, manage my home efficiently. I want to share these time-tested tips with all so that I can bring smile on the face of home makers'. Happy Housekeeping. Printed Pages: 168.
