

Stability and Change in Relationships (Paperback)

Filesize: 4.77 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Tomas Flatley)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Understanding interpersonal relationships requires understanding actors, behaviors, and contexts. This 2002 volume presents research from a variety of disciplines that examine personal relationships on all three levels. The first section focuses on the factors that influence individuals to enter, maintain, and dissolve relationships. The second section emphasizes ongoing processes that characterize relationships and focuses on issues such as arguing and sacrificing. The third and final section demonstrates that the process of stability and change are embedded in social, cultural, and historical contexts. Chapters address cultural universals as well as cross-cultural differences in relationship behaviors and outcomes. The emergence of relational forms, such as the interaction between people and computers, is also explored. Stability and Change in Relationships will be of interest to a broad range of fields, including psychology, sociology, communications, gerontology, and counselling.
