Cmacconnell, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Leaders are the hinge that allows the door to open in an organization. Leaders need to create a culture that will breathe success. A culture that is not designed around red tape, or constant engagement surveys, but rather by leaders who create and model a Leadership Code of Conduct (LCC) for their teams, colleagues, customers, and suppliers. So what is the Leadership Code of Conduct, and how does it differ from other traditional cultural approaches on leadership? It is simple.
