*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

BALLERINA THEATER: COLOR AND CREATE YOUR OWN BEAUTIFUL 3D SCENES

Barron s Educational Series, United States, 2017. Board book. Condition: New. Language: English . Brand New Book. Put the world is in your child s hands with this book that lets them color in and build their own amazing three-dimensional playset. Your child will spend hours coloring, creating, and playing with Ballerina Theater. Kids can build scenes from favorite ballets, including Romeo and Juliet, Swan Lake, and The Nutcracker. They can create a scene from each ballet or create their own! All it takes is some colored pens or pencils and a healthy imagination! Children can color in and stack these die-cut card sheets and then mix and match them to create different colorscapes. Die-cut holes in the middle of the cards help create a stunning layered effect when the cards are stacked one behind another in the base. Twenty-four double-sided, press-out card sheets allow kids to put together many different card combinations to create their very own scenes.
